- e) ( ) Brasil está localizado no continente Sul Americano.

## TEXT 2: Will Life Be Better In The Future?

We don't know what will happen in the future, that's for sure. So why do people talk so much about it? Today, for example, at school, I heard Zeus saying “Felipe Massa will be this year's F1 champion”, I heard Matt saying “I will marry Sayumi”, and I heard Adão saying “Flamengo will beat Fluminense on Sunday”. Or maybe that's a boy's thing...Do girls talk about the future, too?

Well, I suppose they do. We do. Look at me now – What am I doing?

Maybe that's why the future fascinates us so much – because it's unknown. We don't know what will happen in the world. Will it be better? Will wars cease to exist? Will scientists find the cure for cancer? So many questions...And no answer!

But one thing is certain. We can make our future. Will I stay home and wait for my future to happen? No, I won't. I'll go out and try to make it a better world. I'll study and get a job, I'll help my community, I'll teach others to do the same.

As the song goes, “I know someday you'll join us, and the world will be as one!”

a - Sublinhe os verbos que remetem ao futuro.

b- What are your plans for the future?
