PRESENT PERFECT

REMEMBER

The present perfect is used to talk about a finished action that has an influence on the present or about actions that started in the past and continue up to the present. You use it to describe your experiences in life and talk about change that has happened over a period of time. It is also used to refer to a recent happening. You can't use the present perfect with specific time expressions such as last, ago, etc...

AFFIRMATIVE Subject + have/has + past participle of the verb.

I have done my homework

He has just arrived

NEGATIVE Subject + haven't / hasn't + past participle of the verb.

He hasn't finished

They have never been to London
