A Rainy Afternoon

Last Saturday, Maria and her brother Lucas were spending the afternoon at home because it was raining heavily. Maria was reading a novel in the living room, while Lucas was playing video games in his bedroom. Suddenly, the power went out.

Maria couldn't see anything, so she used her phone's flashlight. She called out to Lucas, "Can you come here? I'm a bit scared!" Lucas replied, "Wait, I'm coming!" He was looking for a candle in the kitchen when he heard Maria scream.

"What happened?" Lucas asked, running to the living room. Maria said, "I thought I saw something outside the window!" Lucas looked out, but there was nothing there. "It could have been the wind," he said.

After a while, the lights came back on. Maria and Lucas decided to play a board game together. Lucas asked, "Can you teach me how to play this one?" Maria smiled and said, "Of course! It's easy."

That rainy afternoon turned into a fun and memorable experience.
